Recreation & Oversized Vehicles

In 2009 the Library Lot was closed to build an underground garage. This has limited the ability to accommodate large oversized vehicle parking within Republic Parking open lots. Aside from the 1st & Huron and S. Ashley Lot, certain on street meter parking spaces located around the southern edges of downtown and college campus will be assigned for this purpose. Spaces vary, and may have motor home slide-out and height restrictions. On street parking will be exposed to traffic conditions, and parking is at the owner's complete risk.

Table with 4 columns: Facility, Clearance, Location, mark 1st & 2nd option. Rows include Maynard Garage, Forest Garage, 4th & William Garage, S Ashley Surface Lot, 1st & Huron Surface Lot, and On Street Meter Space.

Space assignment is NOT guaranteed and will be determined at time of check-in. Anyone arriving prior to July 21st must first check in at the Maynard office to receive assignment and permit. On Street Parking IS NOT permitted without checking it at Maynard office first. Hang tags & permits must be displayed in vehicles at all times while parked, for entry and exit. Anyone violating parking assignments may be towed away at owner's expense. Trailers may not permitted in garages. Permit allows user to park overnight in assigned garage. Due to limited parking capacity, a cancelation fee of \$20 will be assessed unless written notice is received by July 12th.

Rates:

\$100 per five-day session/per space - Deposit amount must equal the number of occupied parking spaces required for vehicle/trailers, etc. Space dimensions are approximately 9"x19".

- Includes in and out privileges
Privileges begin 8:00 a.m. Monday, July 19th, and continue through midnight Saturday, July 24th.
Reserve your spaces by mailing check payable to Republic Parking and this form. Checks will not be deposited until week of event. MasterCard and Visa available on day of check in.
